

# Support Stool

## How's your back?

'High precision tasks become very much easier with a properly designed chair featuring an arm support system. In this respect the support stool is excellent'  
P.C. - Buckinghamshire

'I enjoy using my support stool and find that I now have energy at the end of the day'  
H.C. - Hertfordshire

'This is the most comfortable chair I have used. The arm supports really prevent fatigue and I have great back support - probably for the first time since qualifying'  
M.S. - London
